

# Shepherd Primary School - Pupil Premium

Our Pupil Premium funding is used to remove barriers to learning for Pupil Premium learners and diminish the differences between pupil premium learners and non-pupil premium learners. Our Funding supports all different aspects of school life.

*This PPG strategy has been written during Covid-19 restrictions, and looks to address any potential imbalance for PPG pupils which may occur due to these restrictions.*

**A summary of our strategy for our Pupil Premium learners this academic year, based on addressing their following barriers to educational achievement:**

- To improve attendance and punctuality of PP learners to be in line or above the attendance of non – PP learners
- To ensure the provision in place for PP learners' results in at least expected progress and attainment for PP learners - To accelerate progress through the use of targeted intervention and 1-1/small group tuition
- To ensure the wellbeing of PP learners is monitored and supported
- To promote access to activities to enrich PP learners' school life and experiences (*although current restrictions do not allow for clubs, trips, residential trips, PTA events, we will look to enhance pupil experiences in other ways*)
- To ensure musical opportunities are available to all PP learners in order to develop their creative skills
- To offer support to families of PP learners, where needs are identified
- To closely monitor reading and access to reading materials and reading support
- To closely monitor pupils progress and attainment across the curriculum
- To promote home learning for our PP learners
- To promote opportunities that could have a positive effect on PP learners' future adult lives
- To promote equal opportunities for our PP learners by providing fully funded school uniform for PP learners
